

*Working with children is not a ministry that neither God nor the T&B Children's Ministry holds lightly. For that reason, we ask our Kid Zone team members to be responsible and accountable for their role in Kid Zone and to commit to the ideas stated below. Team members unable to drive on their own are required to have a parent sign as to their commitment to see that their child has a ride and is able to fulfill their Kid Zone commitment.*

I agree to commit one school year as a Kid Zone Team Member. I understand my team will work on a specific week of each month. I understand I am responsible for notifying leaders in advance, if I will not be able to attend my week. I further understand that in the event that I do not show up for my part and make no attempt at contacting a leader, I may lose my position on the team. If I miss because of an unavoidable situation, I know it is my responsibility to contact a leader afterwards to remain on the team.

I agree to uphold a vision of excellence for Kid Zone and for my ministry to the kids attending. I agree to protect the illusion of reality when doing puppetry or drama, by being prepared for my part, on time and being conscious of my surroundings. I also understand that at any time my presence becomes a distraction, I will be asked to leave.

I understand my participation as a Kid Zone Team Member is determined by my church attendance (regularly attending services, Bible class), general behavior and attitude in and out of Kid Zone and the example I set for kids wherever I may be.
